School Description

Principal's Message

Kenwood School is the only school in the Kenwood School District, which serves 132 students in Kindergarten through the Sixth grade. The school is located in the town of Kenwood (Sonoma County), which is adjacent to the cities of Sonoma and Santa Rosa, approximately 55 miles north of San Francisco. The community takes great pride in the school, supporting it through a parcel tax and through consistent donations to the Kenwood Education Foundation. Parents value the consistent quality of the educational program, as well as the personal, nurturing aspect of the school's programs. The district also operates a preschool adjacent to the elementary school campus. The preschool serves 8-15 students per day.

Mission Statement

Kenwood School provides academic excellence in a child-centered, developmentally appropriate environment which allows students to realize their full potential, both academically and socially. This is accomplished through the guidance of an experienced and dedicated teaching staff, with instructional assistants in every classroom to provide an adult-to-student ratio that is among the lowest in Sonoma County. Kenwood School students receive a well-rounded educational experience through a challenging academic curriculum, as well as enrichment/arts programs that are supported by active parent and community involvement. In this setting, all children are acknowledged and valued by the entire staff, creating expectations for high student achievement and behavior, as well as a sense of personal responsibility to the school and the community.

Vision Statement

Kenwood School is a small, community elementary school committed to the highest standards of academic excellence and social values, where students are provided a foundation for lives of purpose, service and lifelong learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbooks are selected from the State-approved list by the Superintendent/Principal and the teaching staff. Community members are welcome to give any input and ideas to staff. The Board of Trustees ultimately approves all curriculum decisions, which are based on content consistent with curriculum adopted by the California State Board of Education. All students, including English Language Learners, have access to their own textbooks and instructional materials.

The staff has also implemented a K-6 writing program that is supported by the “Momentum in Teaching” organization, which provided in-service training for classroom teachers.

School Facility Conditions and Planned Improvements (Most Recent Year)

Kenwood Elementary School consists of the original building constructed in 1960, the multi purpose building constructed in 1987, and four portable classrooms. The original main building houses kindergarten through third grade, a computer lab, a library, and the school/district office. The multi purpose building includes the multi purpose room, kitchen, fourth and fifth grade classrooms, and the teacher’s staff room. The four portable buildings house the sixth grade classroom, the Resource Specialist, as well as the Creativity Room where art and music classes are held and a classroom designated to STEAM instruction. In addition, Kenwood School has a preschool and day care program on site in two more portable classrooms. The portable classroom that houses the day care program was replaced in the summer of 2019 with a new building as well as an updated path of entry from the front of the school. Also part of the project was the addition of two large water tanks that will serve as an emergency fire suppression water supply for the the school and neighboring community.

Kenwood School utilizes a campus safety team consisting of the Superintendent/Principal, a parent member of the School Site Council, and the Facilities Coordinator. The Facilities Coordinator provides a report to the School Site Council at each meeting. Kenwood School prides itself on the safety and cleanliness of the entire campus. The district employs two custodians who clean the facility on a daily basis. All classrooms meet state requirements for space. The restrooms, electrical system, and plumbing are checked on a daily basis. The District continues to contribute funds to the State School Deferred Maintenance Program which helps the school with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2020-21 school year, the District budgeted \$7,200 for the Deferred Maintenance Program. This represents 0.2% of the District’s general fund budget. The Solar Panel Array installation was completed in 2016 and was funded in part by the Proposition 39 Clean Energy Jobs Act.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 12/21/2020

Overall Rating	Good	Overall rating 97.61%. All repair issues are of a minor nature and have noted by the Facilities Coordinator.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	60	N/A	60	N/A	50	N/A
Math	51	N/A	51	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parental Involvement

There are many ways for parents to become involved in their child's education at Kenwood Elementary School. Below is a list of programs and their contact information:

- Board of Trustees

For more information on how to become involved at the school, please contact Bob Bales, Superintendent/Principal, at (707) 833-2500.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Kenwood School Safety Committee meets approximately six times per year as coordinated by the School Site Council. The School Site Council is continually revising and updating the School Safety Plan, as needed.

Monthly fire drills and other related emergency drills are scheduled throughout the school year. Local organizations (Kenwood Fire Department, Sonoma County Sheriff's Department, California Highway Patrol, and Sonoma County Office of Education) are consulted on a regular basis and are consistent observers and participants in safety drills throughout the school year.

Additional emergency procedures and in-service training for staff members are provided by the Redwood Empire Schools Insurance Group. Kenwood Elementary School utilizes the Emergency Operations Plan for Schools as created by the Redwood Empire Schools Insurance Group. The plan is reviewed annually by the entire staff and updated, as needed. It was most recently reviewed, discussed and updated by school staff in November, 2020.

Suspensions and Expulsions

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	1

Staff development sessions focus on best practices and research based instructional design. Teachers participate in cross grade level collaboration, county and state in-service offerings, and specifically targeted curriculum areas. Teacher/Principal meetings, peer coaching, and data collection and assessments are used to support implementation of curriculum.

During the summer of 2020, all classroom teachers spent a minimum of 25 hours focusing on implementation of the "Momentum in Teaching" writing program and enhancing virtual learning platforms. Due to the COVID-19 pandemic, all teachers continued a "Distance Learning" virtual format at the start of the 2020-21 school year. As we head into the start of 2021, our teachers have done an excellent job of providing instruction in this virtual format to all grade levels.

Types of Services Funded

Kenwood School employs additional support staff in the following areas: psychologist, counselor, speech and language therapist, instructional aides, nurse, physical education teacher, librarian, music and art programs, computer lab, Intervention Specialist, and reading specialist.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
