Principally Speaking

January 31, 2018

As we prepare to wish our 6th graders a wonderful week long trip (they depart on Monday, February 5th) to the Marin Headlands, I am reminded of one of the many facets of our school that makes the educational experience so special for our children.

Thanks to the creativity and planning of our classroom teachers and the invaluable support of our parents, all of our grades are able to experience tremendous learning opportunities in the form of field trips away from campus.

Our school has long established a tradition of encouraging our students to expand their learning beyond the walls of the classroom. I am reminded of this as our 6th graders prepare for the ultimate field trip experience, four nights and five days at the Marin Headlands. Thanks to our entire community for making this trip and all of our other off-campus adventures possible for all of our students in preschool through 6th grade.

Box Tops for Education

Kenwood School continues to collect Box Tops for Education. Our next turn-in date is February 28. Please help us by cutting Box Top labels from food packaging your family uses and turning them in at the office or library. The money earned will be used to purchase more books for the library. We earned \$66 from our November submission.

Thank you.
