

Kenwood School Newsletter

Principally Speaking

September 26, 2018

Kenwood Family and Friends,

We just wanted to take a quick moment to give a heartfelt THANK YOU to ALL of the many volunteers, and participants who were such an important part of making our September 16th Spaghetti Feed for Outdoor Education such a rousing success. On Monday, October 8th, our sixth grade class will head off to the Marin Headlands to spend a week on our beautiful coast, learning and having the adventure of a lifetime.

Thanks to your generosity and assistance, we raised close to ten thousand dollars! ALL of these proceeds are put directly in to our Outdoor Education fund to ensure this program is made available to every Kenwood student for many years to come.

Once again, we sincerely appreciate all of your hard work and participation in support of this important and rewarding 6th grade experience.

With much gratitude,

Kenwood Elementary Sixth Grade Class of 2018/19

Dogs on Campus

On school days, dogs are not permitted on campus between 8:00 a.m. and 4:00 p.m. without the permission of the principal or school office.

Thank you.

Cougar Club News:

Cougar Club contracts are ready to be completed. They are currently in the main office, Cougar Club and on the Kenwood School website. Complete contracts by Friday, October 5th, to avoid drop-in fees.

Thank you,
Jennifer

If your child is absent, please leave a message on our attendance line. Please include the reason for your child's absence.

The Ocean Guardians
Thank You
For a Successful
Coastal Cleanup Day!

On Saturday, September 15, over a dozen Kenwood School students and family members (Sofia Goldberg, Lillian, Kirsten, and Alania Lindquist, Alex, Nicky, and Mira Schoell, Elliott, Bruce, and Denise Frieseke, Joshua, Michael, and Chi Pine, and Sharon Watson) participated in the state-wide Coastal Cleanup Day. Twenty-four pounds of garbage and sixteen pounds of recycling were cleaned out of Nathanson Creek in the town of Sonoma. A special thank you goes out to Patrick Willis and Tony Passantino of the Sonoma Ecology Center for organizing the event.
