Principally Speaking

October 31, 2018

Beginning on Wednesday, November 7th and continuing from November 13-16, we will be holding our parent/teacher conferences to review your child's progress during the first trimester grading period. I would encourage you to take some time prior to your conference to sit down with your child and discuss what is going well in school and what specific "areas of growth" are for him/her.

I would also encourage you to bring a pen and paper with you to the conference so that you may be able to record specific compliments, as well as suggestions that your child's teacher may have for improvement in the future.

I always suggest that you sit down with your child and review the many positive components from the conference (even if your child has been present and participated in the conference). As I have often heard it stated, "Two to glow and one to grow" is a great way to focus your discussion that your child hears at least two specific areas of success and at least one area to focus on improving during the next grading period.

Please remember that we will have special early dismissal days during the aforementioned conference period. Our students in grades 1-6 will be dismissed at 1:30 p.m. Kindergarten dismissal time will not change until following our Thanksgiving recess. As always, thank you for your support and your active involvement in our school.

Lost and Found:

Many items have been placed on the "Lost and Found" rack at the end of the main hallway. During Thanksgiving Break, all remaining items will be donated to a local charity.

November Contracts are out and ready to be completed! You can find them at Cougar Club, The Front Office and online at www.kenwoodschool.org. Contracts are due FRIDAY, November 2nd.
