Principally Speaking

January 9, 2019

Dear Parents,

Welcome to the 2019 part of our school year! As we return to our regular routine following our winter break, we will be conducting a “Security Alert” drill during the next week. This drill, which we conduct early in the school year and again in January, serves to remind our staff and students of the importance of having safety procedures in place should we need to “Lock” our classrooms and other buildings during an emergency situation.

Unlike our earlier drill, in which students are already in classrooms, the upcoming drill will take place during a recess break. In this scenario, children and adults will be asked to seek out the closest available classroom or building in which to “shelter” during a potential campus emergency. Teachers will be discussing this practice with their students in the days prior to the actual drill. We are all committed to making sure that our children and staff has an understanding of where to go and what to do in an emergency situation. At the same time, we are sensitive to the fact that this type of practice may cause some children to worry or be overly focused on why we conduct this type of practice.

I wanted to inform you ahead of time, so that as with our monthly fire drills, you may have an opportunity to discuss this with your child(ren) both before and following the practice. If our weather permits outside recess, our drill will take place on Tuesday, January 15th.

As always, if you have any questions, please do not hesitate to contact me and/or your child’s teacher.

Thank you for your support!
