## Principally Speaking

August 26, 2020

Dear Parents,

As we are in the middle of our first "full" week of distance learning to begin our school year, I would like to "officially" welcome everyone for our new school year. I am pleased to share with all of our families the positive feedback that I have received from our teachers and support staff regarding the impressive manner that our students (and parents) have responded to this instructional delivery format. As we all make necessary adjustments in our lives to address this ongoing pandemic, we will continue to offer an appropriately rigorous distance learning program at all grade levels.

I want to acknowledge and thank our families for your ongoing support of our staff. While this has not been an easy transition for any of us, by communicating--as needed--with your child's teacher(s), you will help us to set your child(ren) up for success throughout the 2020-21 school year.

I will keep you apprised of any changes in our format or additions to our program as we get settled into the school year. As always, I am available to hear any concerns or to answer any questions that you may have (833-2500 or [bbales@kenwoodschool.org](mailto:bbales@kenwoodschool.org)). Thank you for helping all of us get off to a great start for our kids!

My Best,  
Bob
