Principally Speaking

January 27, 2021

Hello,

I am assisting your school district with their search for their next superintendent/principal. Your school board would like to hear from parents and community members regarding who you would like to see as your superintendent/principal. It is very important to learn from you what kind of qualifications (what we see on a resume) you want, and what kind of personal characteristics you believe are important at Kenwood School.

I need your input very soon so we can get a head start with our process. This is important due to the large number of superintendent openings in our region. We want to attract the best candidates before other districts! We are among the first to begin a search.

Your input is critically important to your school board in advance of their selection of candidates to interview, and also to help them create interview questions.

Your board has assured me that they want, and will use your input to help identify the next superintendent/principal. The more input, the clearer the picture we will have of what you all would like to see.

Ways to provide input:

√ You can take an online survey:

<https://www.surveymonkey.com/r/KSParCom>

(The survey is open until February 5th at 6:00pm.)

√ You can fill out this form on the next page ([download form](#)) and return it to me at mahoneysearches@gmail.com, or simply answer the prompts in an email to me prior to 6:00pm on February 5th.

√ You can join a Zoom input meeting open to all parents and community members January 27th at 6:00pm:

<https://us02web.zoom.us/j/82890495005?pwd=cHVmdFBGMVNFZDRTZTJmUTREOEorUT09>

√ You can email me your thoughts, recommendations, questions, and concerns anytime up to the conclusion of the search at mahoneysearches@gmail.com.

√ You can call me: 707 953-3434 with your thoughts, recommendations, questions, and concerns anytime up to the conclusion of the search.

Thank you so much for your help with this important process!
