Principally Speaking

February 10, 2021

Dear Parents,

Thank you to everyone who responded to last week's survey regarding a possible return to "in class" instruction in the spring. As you are aware, we continue to receive frequent updates from our county and from the state, so any specific return date is yet to be determined. As soon as we can determine an exact date and the specific type of "in class" model (e.g. specific days of "hybrid instruction"), we will get this information to all of our families as soon as possible.

We will be completing the second grading period of the 2020-21 school year on February 19th. Please remember that Monday, February 22nd, is reserved as a "teacher work day" in order for our teachers to have the entire day to begin the process of completing all report cards. There will be no "distance learning" on this work day. Report cards will be sent home on Friday, March 5th.

Thank you for your continued support of our staff, as we all maintain a positive outlook and keep working hard together for all of our children.

My Best,

Bob
