Principally Speaking

March 17, 2021

Dear Parents,

Although Spring Break has taken on a bit of a different feel during the pandemic, we will all enjoy a change of pace to our respective routines beginning on Monday, March 22nd. We look forward to returning to "distance learning" instruction on Monday, March 29th.

When we return to instruction on March 29th, each classroom teacher will be sending home information to all families sharing the specific names of students in each cohort, as we look forward to transitioning to our "hybrid" model of "in class" instruction on Monday, April 12th.

I would like to inform all of our families that as we prepare for the transition to "in class" instruction for the final 41 days of our current school year, we will be modifying our "distance learning" schedule during the week of April 5-9, in order to allow the teachers the time they will need to prepare lessons for "in class," learning, as well as for the remaining cohort that will be home, along with our full-time distance learning students. Each teacher will inform his/her class, what the assignments will look like, as well as the schedule for the week of April 5-9, following our Spring Break.

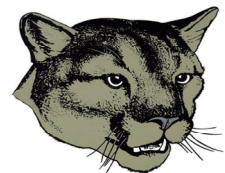

We will no longer be providing Independent Study packets for students who will be on vacation from April 12-June 8. We appreciate your understanding the importance of having our students with us the final 41 days of the remainder of the school year.

I would like to wish all of our students, families and staff a peaceful and rejuvenating Spring Break.

My Best,
Bob Bales
