

Dear Kenwood Families,

We are proud to announce our very first summer camp at Kenwood School, Camp Kenwood. We would like to invite you to look at the following schedule and determine if this exciting opportunity sounds like something your children would be interested in attending. Space is limited and with overwhelming interest, we will have to choose participants through a lottery process.

The Camp Kenwood program offers students in grades K-6 one week programs for a total of 6 possible weeks of exceptional enrichments.

FEES:

Classes will cost \$250 for a one-week class. You may sign up for up to all 6 weeks or pick and choose the weeks that work for you.

DROP OFF and PICK UP:

Drop off will begin at 8:00 am daily. Pick up will be by 5:00 pm sharp. Each student will be required to have a parent sign them in and out each day.

REFUNDS:

A \$25 non-refundable processing fee is deducted for each class dropped up until 2 weeks prior to class start. NO refunds are given if canceling within 2 weeks of the first day of class.

LUNCH and SNACKS:

A basic lunch (sandwich and fruit) along with snacks will be offered. However, options will be limited and many families will choose to send a lunch and snacks with their students each day.

FORMS:

Applicable registration forms must be completed (see below) and returned to the school office prior to April 21, 2023. At that time, we will conduct a lottery and notify parents of enrollment with a letter and an invoice for the weeks your student(s) are enrolled. KEF News:

On behalf of the Kenwood School community, KEF has joined the Jack London Yacht Club -- a fellow non-profit organization based in Glen Ellen that fundraises for local charities -- and recently adopted a "yacht" named The Cougar, which has been dedicated to the school. Saturday, March 25, The Cougar, a one-foot wooden vessel with custom sails, made its maiden voyage in the Sonoma Creek for the club's annual Jack to Jack regatta. Spurred on by cheers from the crowd, The Cougar fought the creek rapids with valor, but ultimately failed to qualify for the final heat. Good news is she'll have the chance to race again in spring 2024! Those interested can see The Cougar up close on display in the front office.

Safe Drop off/Pick up Reminder

We would like to remind everyone that our students' safety is our number one priority. During morning Drop Off and afternoon Pick Up, students are out and about and walking around. They are not always the easiest to see, especially when we have rainy weather. Please remember that our designated Drop Off and Pick Up location is at the front of the school. Our circular driveway allows parents to drive straight forward and not put their vehicle into reverse. This increases visibility and safety. Unfortunately, the back Staff Parking Lot is not set up for such a situation. Please do not use that parking lot for student Drop off or Pick Up and let's all work together to keep our students safe.

PARENT PARTY: DEMYSTIFIED

Lights, Camera, Auction is coming up on May 20th! This year, we are excited to present Parent Parties as part of our fundraiser. They are a wonderful way to bring together our community, while also bringing in revenue for our school.

So what is a Parent Party? Members of our Kenwood community host fun and interesting events that other members of the community pay to attend. These fun-filled events translate into great memories for you, and great donations for our students.

HOW CAN YOU HELP?

Host a party! We have a long list of suggested parties below. Of course, a party of your own creation is also welcome.

And if you have a great location to host a party, but can't handle throwing it, no problem! We can even pair you up with another person to make it easy. Hosts will decide the party, location, date, number of people attending, and the ticket price.

It's easy to log the party as an auction item. Just go to bit.ly/keflca2023 and enter the party as an auction item. The amazing volunteers at KEF will create a silent auction sheet for you! Tickets will be strictly limited to the number of tickets that you specify.
