

# Kenwood School Newsletter April 26, 2023

## Principally Speaking

Good afternoon Kenwood families,

This time of year always makes me say, "I can't believe school is almost over!". As we look at the calendar, we see that there are only 5 weeks before we bid our students a fun and safe summer. However, these next 5 weeks of school are packed with exciting events and things to remember.

First and foremost, we want to remind everyone that **May 1<sup>st</sup> begins our annual State Assessments.** **Grades 3-6** will be working hard and putting forward their best work as they complete the CAASPP tests. It is very important that students do not miss school during these tests. We ask that students get plenty of sleep and come to school fed and alert. Although individual results will not affect your student's grades, the data we receive from these assessments, drive our curriculum/instruction, and help us to better understand how we can best support our student's academic learning. If your student is ill and unable to come to school between May 1<sup>st</sup> and May 12<sup>th</sup>, there will be opportunities for make up testing.

Look for information coming soon regarding our **Open House** on May 18<sup>th</sup>. We look forward to seeing you as you visit your student's classroom and see the fantastic and wonderful work that has occurred during this school year.

The Kenwood Education Foundation has been working hard on our **Lights Camera Auction** event. This year's theme is Denim and Diamonds. Tickets have already sold out, but we plan to raise enough revenue to maintain our incredibly important school programs that bring so much engagement and enrichments to our students of Kenwood School.

And lastly, you may notice we have two Emergency Make Up Days on our school calendar from June 5th-6th. Because we did not have to close school for any natural disasters this year, these Emergency Days have not become active. The last day of school will be Friday, June 2nd.
