It's time for KSA's annual Jog-a-thon fundraiser.

All pledges (flat donations or per lap) must be made through the 99Pledges website listed above. If we have your email, you should have received an email with a link to your child's specific page.

Our goal is for each student to raise at least \$100, so be sure to share with your child's aunts, uncles, grandparents, neighbors and close friends. Those \$5 and \$20 donations will add up.

WONDERFUL WORLD of WHY

Why does the moon change shape?

Why do dogs make good pets?

Why do we see a rainbow?

Why do boats float?

In this interactive hands-on class, students are asked to ask BIG questions and think BIG thoughts! We'll explore the world of WHY and discover the answers by experimenting, creating, building, and more!

INSTRUCTOR: Cathy Hatcher

Cathy has taught enrichment for over 15 years in Sonoma County. She received both her B.A. and M.A. from Sonoma State University with an emphasis on Education and Psychology. She has created over 30 classes for students ages 5-14.
